

# SPRING FAMILY WEEKEND SUGGESTED PACKING LIST

## MODESTY STATEMENT

At Susque we strive to convey a mindset of Christian modesty. To help accomplish this, we ask that clothing cover undergarments and private areas. Shirts should also be long enough to cover the midriff area.

#### CLOTHING

Due to the unpredictable nature of early spring weather in central Pennsylvania, it is recommended that families keep close watch on weather sources the week leading up to camp and then forget about it because the weather will change.

Consider bringing clothing that layers well as the program schedule includes both indoor and outdoor activities that may very based on the weather. In the event of snow, expect many activities to take place outside in the snow.
